BODY MASKS

All Terres d'Afrique Body Masks contain organic coconut oil and Kalahari melon oil to prevent the clay from drying out, so that each Body Mask utilizes the maximum time to deep-moisturise and help the skin form a protective barrier against environmental and free radical damage.

TERRE BLANCHE DETOX & SOOTHE

WITH BENTONITE CLAY,
BUCU & ALOE FEROX

A liquid oil based body mask that works on the deep layers of the skin to remove heavy metals and toxins. Suitable for irritated skin. Acts to hydrate all skin types. Recommended for sensitive skin, dry, irritated skin, skin suffering from stressors of sun, heat and dehydration.

DEEP DETOX
Bentonite Clay gives Terre Blanche Detox & Soothe Body Mask a strong power potent enough to extract heavy metals and toxins from deep within the skin. The high mineral content of this clay absorbs these impurities. At the same time, a mild, natural electrical charge in the clay traps the toxins, preventing them from flowing back into the skin.

SOOTHING TOUCH
Anti-allergenic. Reduces redness combined with Aloe ferox. Reduces redness, soothes and calms irritated and inflamed skin, leaving the skin soothed and rehydrated.

These statements have not been evaluated by the Food and Drug Administration (FDA). These products are not intended to diagnose, treat, cure, or prevent any disease.

CATALOGUE NOTES

Product descriptions have been edited for catalogue clarity and should be reviewed against current packaging and supplier specifications before publication. Retail prices shown elsewhere in the catalogue are subject to change. Availability, packaging and product sizes may vary. Wholesale pricing is provided separately. This catalogue does not replace product labels, ingredient lists or professional advice.

PARTNER COLLECTION NOTE

Hodaia and Terres d'Afrique product information and imagery are based on supplied partner materials. Terres d'Afrique retail prices were not provided and are therefore listed as available on request. Certification percentages and sourcing claims should be reconfirmed with the supplier before publication or sale.
